

We don't need to tell you how good our service contracts are.

After four decades in business, we could tell you all the reasons why we think our service contracts are the best, but we prefer it when our customers can do this for us.

"We've now worked with ET for 20 plus years and as a result we are familiar with the equipment and their working practices, which gives us a high level of confidence in them. We know that ET will never compromise on quality."

Thurrock Council

"ET's service has always been superb. The staff are friendly and happy to give advice and guidance. In addition, services have always been above and beyond, especially in relation to tender applications and ensuring they provide a great service."

Welwyn Hatfield Borough Council

"I am really pleased that you are happy to extend the contract for additional year, you have provided such an excellent service through such difficult times of lockdown!"

Leicester City Council

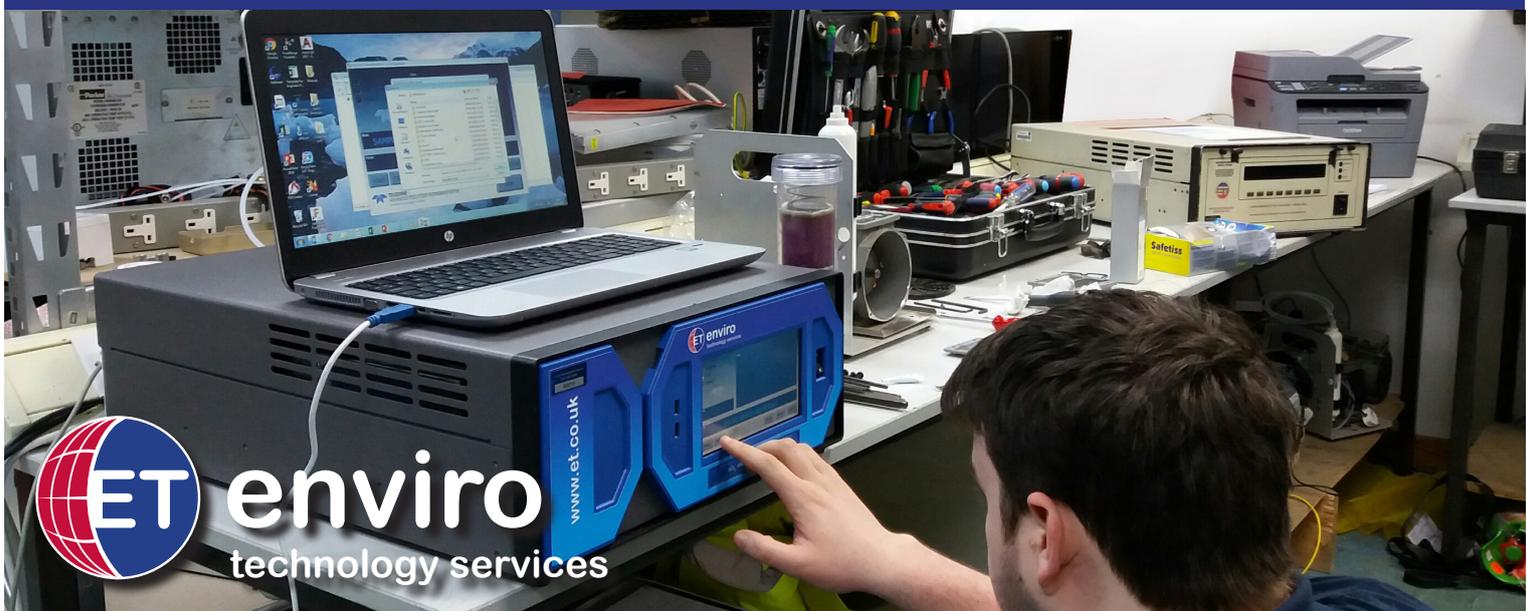

- ▶ Unlimited technical support / remote diagnostics
- ▶ Service work carried out to ISO 9001 and AURN standards
- ▶ Bespoke agreements tailored to your exact requirements
- ▶ Highly trained team of regional engineers

Speak to us today to see how we can tailor a service contract to suit your needs.
